## TIMETABLE

ODD Semester 2026-27

Date: 20-July-2026

### B.Tech I Year (Room No.: NLTs)

| Sr.No. | Course Code   | Course Name                           | Name of Faculty                                                                        |
|--------|---------------|---------------------------------------|----------------------------------------------------------------------------------------|
| 1.     | IEE101(E)     | Fundamental of Electrical Engineering | Prof. Anurag Tripathi (AT)                                                             |
| 2.     | IEE151(E)     | Basic Electrical Engineering Lab      | Prof. Anurag Tripathi (AT)/ GF-03/Mr. Arpit Tripathi (ArT)                             |
| 3.     | IEE101(E)     | Fundamental of Electrical Engineering | Dr. Arvind Kumar (AK)                                                                  |
| 4.     | IEE151(E)     | Basic Electrical Engineering Lab      | Dr. Arvind Kumar (AK)/ Mr. Sudhir Kumar (SK)                                           |
| 5.     | IEE101(CS-AI) | Fundamental of Electrical Engineering | Dr. Satyendra Singh (SyS)                                                              |
| 6.     | IEE151(CS-AI) | Basic Electrical Engineering Lab      | Dr. Satyendra Singh (SyS)/ Mr. Mritunjaya Mani Tripathi (MMT)/<br>Mr. Anchit Kr. Singh |
| 7.     | IEE101(ME)    | Fundamental of Electrical Engineering | Dr. Anurag Verma (AnV)                                                                 |
| 8.     | IEE151(ME)    | Basic Electrical Engineering Lab      | Dr. Anurag Verma (AnV)/ GF-01/ Vedit Sharma                                            |

### B.Tech II Year (Room No.: EE-210)

| Sr. No. | Course Code | Course Name                                     | Name of Faculty                                             |
|---------|-------------|-------------------------------------------------|-------------------------------------------------------------|
| 1.      | IEE301      | Electromagnetic Field Theory                    | GF-1                                                        |
| 2.      | IEE302      | Electrical Measurements & Instrumentation       | CF-4                                                        |
| 3.      | IEE303      | Basic Signals & Systems                         | Ms. Perna Bajpai (PB)                                       |
| 4.      | IOE034      | Energy Science & Engineering                    | GF-2                                                        |
| 5.      | IOE035      | Sensor & Instrumentation                        | GF-3                                                        |
| 6.      | INC305      | Research Methodology                            | Dr. Anurag Verma (AnV)                                      |
| 7.      | IEE351      | Signals & Systems Lab                           | Ms. Perna Bajpai (PB)/ Mr. Vikas Verma (VV)                 |
| 8.      | IEE352      | Electrical Measurements and Instrumentation Lab | CF-4 / Mr. Arpit Tripathi (ArT)                             |
| 9.      | IEE353      | Electrical Workshop                             | Dr. Sachin Singh (SnS) / Mr. Mritunjaya Mani Tripathi (MMT) |
| 10.     | IEE354      | Mini Project-I or Intership Assessment          | Dr. Nitin Anand Shrivastava (NAS)/ GF-02                    |

(Head, EED)

## TIMETABLE

ODD Semester 2026-27

Date: 20-July-2026

### B. Tech III Year (ROOM No.: EE-211)

| Sr. No. | Course Code    | Course Name                                    | Name of Faculty                                   |
|---------|----------------|------------------------------------------------|---------------------------------------------------|
| 1.      | IEE501         | Power System - I                               | Prof. Arunima Verma (AV)                          |
| 2.      | IEE502         | Control System                                 | Prof. Anurag Tripathi (AT)/ Ms. Prema Bajpai (PB) |
| 3.      | IEE503         | Electrical Machines-II                         | Prof. Seethalekshmi K. (SLK)                      |
| 4.      | IEE052         | Sensors and Transducers                        | CF-4                                              |
| 5.      | IEE054         | Electrical Standards and Engineering Practices | Dr. Sachin Singh (SnS)                            |
| 6.      | IEE056         | Introduction to Machine Learning               | Dr. Pushkar Tripathi (PT)                         |
| 7.      | IEE057         | Digital Signal Processing                      | GF-1                                              |
| 8.      | IEE551         | Power System-I Lab                             | Dr. Pushkar Tripathi (PT)                         |
| 9.      | IEE552         | Control System Lab                             | GF-1/ Mr. Vedit Sharma (VS)                       |
| 10.     | IEE553         | Electrical Machines – II Lab                   | Dr. Arvind Kumar (AK) / Mr. Sudhir Kumar (SK)     |
| 11.     | IEE554         | Mini Project/Internship/SE Assessment          | Prof. Arunima Verma (AV)                          |
| 12.     | IEEM51 (Minor) | Fundamentals of Electric Vehicles Lab          | Dr. Pushkar Tripathi (PT)/ GF-03                  |

### B. Tech IV Year (ROOM No.: EE-203)

| Sr. No. | Course Code     | Course Name                                                               | Name of Faculty                                           |
|---------|-----------------|---------------------------------------------------------------------------|-----------------------------------------------------------|
| 1.      | IEE071          | Energy Conservation and Auditing                                          | GF-2                                                      |
| 2.      | IEE077          | Power System Protection                                                   | Dr. Nitin A. Shrivastava (NAS)                            |
| 3.      | IOE072 (OE-II)  | Introduction to Smart Grid                                                | Dr. Sachin Singh (SnS)                                    |
| 4.      | IOE073 (OE-II)  | Smart & Green Buildings                                                   | Dr. Anurag Verma (AnV)                                    |
| 5.      | IOE080 (OE-III) | Electric Vehicles                                                         | Dr. Arvind Kumar (AK)                                     |
| 6.      | IOE081 (OE-III) | Energy Management                                                         | GF-2                                                      |
| 7.      | IEE751          | Project                                                                   | Prof. Anurag Tripathi/ Mr. Sachin Singh/ Ms. Prema Bajpai |
| 8.      | IEE752          | Internship Assessment/ Mini Project/Startup & Entrepreneurship Assessment | Dr. Anurag Verma (AnV)                                    |

### M. Tech-I Year & M. Tech-II Year

| Sr. No. | Course Code | Course Name                       | Name of Faculty                                     |
|---------|-------------|-----------------------------------|-----------------------------------------------------|
| 1.      | MAPE101     | Advanced Power System Analysis    | Prof. Seethalekshmi K.(SLK)/ Dr. Sachin Singh (SnS) |
| 2.      | MAPE102     | Solar Energy Conversion           | Dr. Pushkar Tripathi (PT)                           |
| 3.      | MAPE013     | Power System Optimization         | Dr. Satyendra Singh (SyS)                           |
| 4.      | MAPE151     | Power System Simulation Lab       | CF-04                                               |
| 5.      | MAPE152     | Renewable Energy Lab              | Ms. Prema Bajpai (PB)                               |
| 6.      | MAPE043     | Application of AI in Power System | Dr. Nitin Anand Shrivastava (NAS)                   |
| 7.      | MAPE351     | Dissertation                      | All Faculty Members                                 |
| 8.      | MAPE352     | Seminar-II                        | Dr. Anurag Verma (AnV)                              |
